Environmental Policy Public Statement

Paragon Music is committed to leading the industry in minimising the impact of its activities on the environment and to work with our partner organisations to encourage environmental awareness and sustainable behaviour and practice. We are working to embed environmental sustainability throughout all of our programmes and practice.

In order to achieve this we will:

Measure, record and calculate our carbon emissions throughout all aspects of the organisation

Submit an annual report to Creative Scotland

Make any changes that have been highlighted

Our 2019 priorities are:

Artist travel

Artistic programming
